# Change is inevitable

External

Internal

# Change is emotional

- Fear of the unknown
- Disorienting
- Loss of security
- Unsettling
- Resistance

# Choices

- Choose to embrace change
- Choose to see change as opportunity for growth
- Choose to mold the path of change
- ??unknown??

*Build your path to the future...*

# We feel good when change...

- Is worthwhile and beneficial
- Includes our dreams
- Has a place for us

# The Power of Many

Don't go it alone

Find like minded people

Know your purpose & mission and commit to it.

Value the differences each member brings

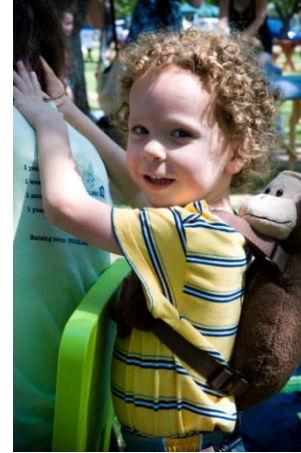

Listen and be interested in each members' opinions

The Power of Many: together you can guide the future...

# Independent and Connected

# The Cooperative Choice

- Build Community and informal support systems
- Champion quality and self determination
- Create partnerships
- Lead through common vision and values
- Learn and share what you have learned
